Content: 41er Dunisoft  
Napkin: Cream 278  
Print Colour: Euroscale **cmyk**

126 **6349**

CB:  yes  no  SUSTAINABLE GOODFOODMOOD

Your artwork contains a QR-code. We checked the printability of the code as per conventional standards of format and size on a absorbent and flexible tissue material. To ensure the readability for conventional standard mobiles and apps, your code will be checked during the process of the artwork creating, final proof as well as the printing process (randomly) by an industrial scanner. Because of the big range of mobiles, cameras and apps we can't guarantee the readability. Please check the accuracy of the QR-code (link) in the approval and confirm this with a separate signature.
